

Retreat Venue

Shepherd of the Ozarks is a year-round, 460-acre Christian Conference and Retreat Center located in the heart of the Ozark Mountains in Northwest Arkansas.

Nestled in this wilderness setting are nine luxurious log-cabin-style lodges varying in decor and size to sleep from 10 to a group of 400 people. All of them include kitchens, meeting spaces, private bedrooms and bunk areas. Massive rock fireplaces, rocking chairs on the porch and comfortable beds invite you to come away for refreshment and relaxation.

In this natural setting you'll see bald eagles, blue heron, mountain goats, raccoons, otter, fox, and many beautiful birds. You'll hear tree frogs

and bull frogs at night, see fireflies and bats (our friends that eat the mosquitoes). In the wilderness sky, you'll see constellations, stars, planets and orbiting satellites.
