

Retreat Venue

Quaker Ridge Camp and Conference Center is a world class Christian retreat center located near Woodland Park, Colorado, in the shadow of Pike's Peak, "America's Mountain."

Nestled among the "quaking" aspens in the high country of the Colorado Rockies, Quaker Ridge provides an ideal environment for those who want to get away from it all and "waste time with God." Located at an altitude of nearly 9,000 feet, this is a place where you can take in breathtaking views from atop Soldier's Mountain or take a leisurely walk along the Trail of Silence. It is a sacred space that provides unique opportunities for rest, reflection and restoration of both body and soul. Massive rock fireplaces, hand cut wood pillars, and comfy beds invite you to come away for refreshment and relaxation. In this natural setting you'll see a wide variety of wildlife during the day, and you will be treated to a spectacular display of stars, planets and constellations at night.
