www.efcmaym.org

Our online registration should be up and going shortly.

What does it cost?

The individual price is \$50.00 per person.

The family rate is \$170.00.

How does the family rate work? If we have a family of 10. Instead of them paying the \$50.00 individual rate per person (\$500), they would fall under the \$170.00 family rate.

If you are just joining us for the day, we are suggesting a \$30 donation and \$10 per meal

Who counts as family?

Parents and kids (who are not adults and living on their own)
Or
Grandparents bringing grandkids (without their parents)

If you are bringing multiple households of the same family please register as such.
